

THIS IMAGE of Hammerhead Sharks was taken by Eddie Boutland during a trip in 2013 to the Galapagos Islands. It was his first go with his new compact underwater camera. Flying start, Eddie!

REGULAR **SCOTTISH DIVER** contributor Alison Fuller-Shapcott has suggested that the magazine should provide the opportunity for reader's to submit photographs they think we'd find interesting. Alison sourced this great shot from Eddie Boutland to get things moving. If you'd like to have one of your photographs appear in **SCOTTISH DIVER** please contact us at [louise@tfti.demon.co.uk](mailto:louise@tfti.demon.co.uk).

It would be great to hear from the Scottish diving community's photographers - local shots particularly appreciated.
